Description

A Riesling with purity that displays intense stone fruit aromas of apricots and citrus fruit. It combines supple abundance in its texture with racy vibrancy and flinty minerality. In the long finish, notes of floral herbs, like chamomile emerge. Crystal-clear full fruit with ripe acidity and an elegant, dry finish.

Serving suggestion

A wine that blends well with freshwater and marine fish, either grilled or steamed with herbs. The verve of the wine also goes well with light meats, poultry and vegetable dishes prepared with ginger and lemongrass. Try it as an aperitif too.

Winery Türk

The essential steps in making the best wine is to accompany the natural growth cycle and healthy development of the grapes, to achieve perfect ripeness. We do this with an inherent respect for nature and to let everything take its course with as little intervention as possible. We give all our wines the time they need for perfect maturity and their full taste.
