### Description

Bright ruby red colour, fine, diverse aromas reminiscent of blackcurrant and raspberry, velvety and soft on the palate, recommended for all meals of the Mediterranean cuisine, as well as for red meat.

### Serving suggestion

Serving suggestions include Mediterranean cuisine, roast beef and all dishes with mild gravy.

### Winery Türk

The essential steps in making the best wine is to accompany the natural growth cycle and healthy development of the grapes, to achieve perfect ripeness. We do this with an inherent respect for nature and to let everything take its course with as little intervention as possible. We give all our wines the time they need for perfect maturity and their full taste.
